Presents

# Cyberbullying and Cyber-Safety

What **EVERY** Parent Needs to Know...

This highly-relevant presentation will first lay a foundation of adolescent use of the Internet and cell phones before deeply exploring **cyberbullying, sexting, and unwise social networking**. Strategies for identification, prevention, and response will be discussed in great detail, loosely structured to allow for dialogue and Q&A from the audience.

**Tuesday, October 19, 2010 from 7-9PM**  
**Sparta High School Auditorium**
